GURPREET KAUR

Fullstack Developer

📞 +1-236-586-8995 @ gurpreet@devgurpreet.com 🔗 www.devgurpreet.com 📍 Vancouver,CA

SUMMARY

An enthusiastic computer science graduate with 1+ years of experience as a fullstack developer. Proficient in developing databases, creating user interfaces, writing and troubleshooting codes. Seeking a challenging position in a reputed organisation where I can utilise my web development skills and expand my knowledge while contributing to company's growth.

EXPERIENCE

Fullstack Developer Trainee

upGrad KnowledgeHut   📅 06/2022 - 11/2022   📍 Remote | CA

Skills : HTML · CSS · JS · React · Node · Express · MongoDB · MySQL · API · Git

- Successfully completed 160+ hours of MERN stack development training.
- Researched and stayed up-to-date on web technologies, frameworks, and best practices.
- Participated in video code reviews (HTML, CSS, Javascript, React) for students of the Fullstack Development Bootcamp.
- Developed my team-work skills by working in close collaboration with 5 other students.
- Performed web application deployment activities on Hostinger, Github, Netlify using console and command line.
- Exposure to API development and integration with databases.

EDUCATION

Bachelor of Computer Applications

Punjabi University, India   📅 2016 - 2019   GPA **4.0** / 5.0

- Relevant Courses : Software Engineering, Data Structures, Web Designing, Digital Electronics, Programming using C, C++, Java, Computer Networks, RDBMS, Ecommerce, Management Information Systems

KEY ACHIEVEMENTS

🏅 **1st Position Awards**
Ranked 1st in each of the consecutive 6 semesters at university

🏆 **Graduated with Distinction**
Passed degree in first division with distinction

TECH STACK

HTML	CSS	Javascript	JQuery
Bootstrap	**Ajax**	**MySQL**	**PHP**
Wordpress	**ReactJS**	**NodeJS**	
MongoDB	**ExpressJS**	**Github**	
REST API	**VS Code**	**HTTP**	

STRENGTHS

✔ **Solving complex problems**
Habitual of solving problems and finding solutions owing to my prior education in Science, Maths and Computer Science.

✔ **Hard-working**
Studied and completed a 5 months coding bootcamp simultaneously while also managing a store fulltime. Habituated to long days.

✔ **Results/Detail Oriented**
Dedicated to completion of tasks in an organised manner and with regard to quality.

✔ **Time Management**
Ensuring the timely completion of projects to meet deadlines, therefore working efficiently.
